

LAMBDA DELTA SIGMA CONCORDIA COLLEGE

YEAR IN REVIEW

We start out each year with recruitment in order to add to the amazing group of girls that make up Lambda Delta Sigma.

LDS is philanthropic based and that mindset continues to guide us throughout the year. We take time each month to volunteer within our school or community.

We socialize with fraternities at NDSU each month to continue to build and maintain relationships with those outside of Concordia.

At the end of the year, we celebrate the year we have had and look forward to the year to come at Pink Flamingo Formal.

Football Game

We celebrated the holidays with a group photo in our new flannels and exchanged Secret Sister gifts at our annual Christmas Party.

Roughly \$1,900 was raised during this event and this amount was then doubled on Giving Hearts Day and donated to our friends at the YWCA.

Joshua Palmquist was crowned Mr. Concordia 2017.

PHILANTHROPIES

We had a wide variety of philanthropic experiences this year. We went back to some of the organizations that are dear to our hearts and also volunteered our time, energy, and expertise at some organizations we had not previously visited. It was exciting to help out new people and discover all of the great people and organizations in our community.
